

## Dual Student Business Informatics B.Sc. (female/male/diverse)

Location: Pforzheim

### Who we are

itmX stands for innovation, trust, mindfulness and experience. Our innovative solutions in the CRM and Commerce environment inspire more than 120 satisfied customers. In our Innovation Labs, we develop not only classic CRM functions but also state-of-the-art use cases with digital assistants using artificial intelligence.

Our employees and customers trust us. Mutual trust is an important element of our mission and vision and is lived every day. In addition to trust, mindfulness is important to us in order to consciously perceive and reflect our environment and to be able to act in a consciously reliable and fair manner.

The experience with our software, with our employees and the entire environment of itmX is characterized by excellent professionalism. Our customers have this expectation of our services and rightly so.

itmX is a subsidiary of NTT DATA Business Solutions, a leading global SAP consulting company.

### What is waiting for you

Your 3-year dual study program is a combination of 3-month practical and theoretical phases. This way you will already gain extensive practical experience during your studies.

- You will work in different departments, such as IT Administration, Software Development, Consulting, in which you will actively participate
- You get to know our itmX crm suite and use it in your work
- Besides the daily business you will support in various projects and take over more responsibility and own projects
- You actively shape our products and developments

### Your roots

- You have a general or subject-related university entrance qualification
- Your thinking and your approach is analytical, pragmatic and structured
- You already have practical IT knowledge and experience in MS Office
- You have a good technical and business understanding and are enthusiastic about IT solutions
- You are open-minded, have good communication skills and enjoy working in a team

### What we offer you

- 1-2 months preliminary internship to get to know each other
- An appropriate remuneration and payment of all tuition fees
- Participation in training courses and company events, excellent support and many development opportunities - even after graduation
- A great team of 50 colleagues, who are simply live and love their job and experts in their field, are always ready to help you with advice and support
- Free drinks and organic fruit
- Convenient location in an industrial area with good connections and many offers of restaurants, supermarkets etc.

Apply now.

We are looking forward to meeting you!

Please send your CV and certificates to Christiane Marcos: [personal@itmX.de](mailto:personal@itmX.de)
